Hello! I am Fabio, a Designer with 4 years of experience, specializing in UX/UI and Web Design. Expertise in creating intuitive interfaces, developing landing pages, and optimizing user experience for lead generation. Working with tools such as Figma, Photoshop, Illustrator, HTML, CSS, and JavaScript, as well as agile methodologies like Scrum and Kanban. Currently, I contribute to digital projects focused on strategic design and innovation, always seeking to enhance usability and conversion.

To improve my skills and stay updated with the latest trends, I take various courses in the UX/UI field. I am passionate about learning and always looking for new challenges that allow me to expand my knowledge and significantly contribute to innovative projects.

I am excited to bring my experience and passion for design to an inspiring team. I can't wait to be part of projects that challenge and stimulate my professional growth.
